

2024-2025 Student Application

Dear Applicant:

The Monroe County startUP Board of Directors welcomes your application to participate in the 2024-2025 Monroe County startUP program.

Monroe County startUP is a year-long course designed to utilize partnerships that provide an overview of business and personal development opportunities. The local business community partners with area schools to create project-based experiences for students by providing funding, expertise, meeting space, business tours and one-on-one mentoring. Students visit area businesses, learn from guest speakers, participate in a class business, write business plans, and start and operate their own business. Business concepts learned through the Monroe County startUP program are critical; the 21st century skills of problem solving, teamwork, self-motivation, responsibility, higher-order thinking, communication and inquiry are at the heart of student development throughout the course.

The class meets for 1½ hours each school day from 7:30-9:00 a.m. in a variety of businesses. On occasion, class will be hosted online via a virtual meeting platform. The class is facilitated by an entrepreneur fully licensed by the Illinois State Board of Education. The class is financially supported by our Monroe County startUP Business Investors.

Program Expectations:

Excellent attendance is necessary for success in this class. This course is experience-based. Since you will be learning from a variety of presenters and business tours, attendance and punctuality are essential. Plan now to be in class every day. The class meets in a variety of places throughout the year. Students are expected to be on time no matter the meeting place.

Professional attire is our standard. We meet in businesses, so we dress in business attire. Modest blouses, skirts, dress pants, khakis and polo shirts are expected. Flip-flops, tennis shoes, t-shirts, jeans, shorts, or sweatshirts/hoodies are not appropriate. Your instructor will guide you when there are special requirements for a tour or activity.

Transportation is your responsibility. To ensure your safety is protected, we will need information about your driver's license and auto insurance.

Technology tools are part of the work and learning environment. A laptop or tablet is needed for use in and out of the class. You will want to note information about and from class presentations, keep track of contact information from businesses and guests, as well as utilize the Internet in class.
